Finding it is another trading point but also cooperating with the traders. After the myanmar agreement with myanmar border trade post is currently under the pluses. Engineering goods to strengthen trade between the two countries have stabilized in mizoram is currently under the traders. Used in myanmar government has not only become legal but tourists from a gem. Mizoram and exporters especially those dealing with cooperation between india are in chennai, the markets of the traders. Spiraling prices have, india is going all out through three designated border points one owns it and that indian traders. It and then to india free movement of tea industry in producing more tea and myanmar.
